(ITEM #06 Mayor and Council Members: Reports of Current Events, was not presented)

ITEM #07 - CITY MANAGER AND DEPARTMENT HEADS: REPORTS TO MAYOR AND COUNCIL

PLANNING AND ZONING DIRECTOR, JOSUE LICEA
FINANCE DIRECTOR, LOURDES AGUIRRE

Mayor Diaz: Planning and Zoning Director goes first, oh, he just walked out.

Ms. Aguirre: He'll be back.

Mayor Diaz: How about we go to Finance Director Lourdes as far as reports.

Ms. Aguirre: Mr. Mayor and Members of the Council, I regret to inform you that I was unable to put any information together for you all, but I am preparing for that meeting, the Special Meeting that we set aside for next week, Tuesday, and to let you all know at the previous meeting we set aside at least one day to really just concentrate on budget. So that will be next week so we will have all those materials ready for you guys.

Mayor Diaz: You have a question from Mr. Flagg.

Councilor Flagg: Can you get those to us, like roughly how many days before the meeting so we can check it out?

Ms. Aguirre: Mr. Mayor and Councilor Flagg, I think I can get it for you by the time the Agenda is published, which is normally on Friday.

Councilor Flagg: Ok.

Ms. Aguirre: Mr. Licea.

Mr. Licea: Sorry about that, I was just mentioning how we just found out about the Centennial so late when we knew about Mission View very early, but in any case, thank you guys, it's nice to see everybody, Mayor and Council Members, I'm here to just give a brief report on activities going on with Planning and Zoning. There are two rezonings coming up in the near future. One is at 2626 S. 4th Avenue. That's the property right behind the Crossroad Restaurant. They are proposing to go to a higher use, high intense use, to allow manufacturing of prefabricated walls. So that's one.

Councilor Flagg: Who's the owner?

Mr. Licea: The owner of the property or the owner of the business?

Councilor Flagg: Either, both.

Mr. Licea: The owner is John Lashley, and then the owner of the construction company is called George McKinley. The company is called En Fuego; they are currently operating in the City of Tucson, so something very similar to what they want to bring down here.

Mayor Diaz: What was the name of the business again?

Mr. Licea: En Fuego. E-n F-u-e-g-o.

Mayor Diaz: Ok, thank you.

Mr. Licea: And the second rezoning that is going to be coming up is on the corner of 10th and 33rd, 10th Avenue and 33rd Street, southeast corner. It used to be El Gizmo Factory and a bunch of other types of small local retail stores. Interestingly enough, that building is actually zoned residential so they actually want to try to make it right and get it zoned to where it should have been the whole time. So they're proposing to go from residential to retail, commercial retail. I wanted to get to your guys' attention real quick and maybe this is not

the avenue for it, but I know there was interest in the 10th Avenue speed tables, the PAG projects, I just want to run by and you can give me further direction later, but with the money allocated or funding those projects, there may be an opportunity for a speed table and there may not. It just depends, because there's permanent signs going up. These are speed alert monitoring signs, so you drive by, and it tells you what your speed is. Depending on the budget, we can get anywhere from six of these installed and maybe some mobile radar stations, too, which you could place them anywhere in the City, and then the speed tables. Right now, from what I've gathered from interest from, I think it's from you, Mayor, is we definitely need some permit signs and we need some speed tables, and we're trying to get at least one more in there. We need direction later, or if you guys have some specific questions or guidance on that, let me know. Otherwise, we are going to be meeting with some of the PAG people, some of their engineers, to come out and actually look at the site and then give us recommendations on it.

Councilor Flagg: What's a speed table?

Mr. Licea: A speed table is like a speed bump, but it goes up, then it goes flat, then it goes back down, as opposed to where a speed bump goes like this.

Councilor Flagg: How much money is involved in this?

Mr. Licea: On 10th Avenue, this is \$60,000.

Councilor Flagg: \$60,000 bucks?

Mr. Licea: Yes, \$60,000.

Mayor Diaz: But that either comes out of the PAG money or RTA money.

Mr. Licea: Yeah.

Councilor Flagg: Yeah, I think we as a Council should have a discussion about how we want to use that money, because there's nothing written in stone that says we agreed to spend the money on speed tables and those signs, right?

Mr. Licea: You may be able to move around but it will be a long process because this planning stuff is approved, a long time ago. This has been a planning process that has been voter approved. I don't have the specific details on that, but this was basically approved.

Mayor Diaz: But isn't it what the residents want instead of what the Council wants?

Councilor Flagg: Yeah.

Mayor Diaz: I was asked by the residents along 10th Avenue to propose this.

Councilor Flagg: How long ago?

Mayor Diaz: Maybe six months, more.

Councilor Flagg: See, I didn't know that. We should know these things, all the Council people.

Mayor Diaz: Why don't you come up with some ideas also? We will present them then.

Councilor Flagg: That's what I'm asking.

Mayor Diaz: You can, and I've told you that before.

Councilor Valenzuela: Either way, we should be informed of these things, you know, as a Council.

Mayor Diaz: And you were.

Councilor Valenzuela: We're being informed now.

Mayor Diaz: No, there was an email from the Manager regarding that.

Acting Mayor Rogers: I got it. Mr. Mayor, could I ask a question of Mr. Licea. Do you know when there will be, afternoon or 5:00, meetings at Planning and Zoning on these two issues with our Planning and Zoning group?

Mr. Licea: Yes, so those are the rezonings I was speaking of, and I'm sorry, I should have mentioned the dates.

Acting Mayor Rogers: I'm sorry, I just want to write it down.

Mr. Licea: Yeah, the Planning and Zoning Hearing is scheduled for May 24th.

Acting Mayor Rogers: Probably around 5:00?

Mr. Licea: 5:00 here in this office.

Acting Mayor Rogers: You'll take care of both of them?

Mr. Licea: Yes.

Acting Mayor Rogers: Ok, thank you.

Councilor Flagg: So these speed tables and signs have been approved by the former Council so it's a done deal and now it's just a matter of,

Mr. Licea: Not even the Council. The Council probably had some final approval on it, but this was a long process to get it. The money for these projects were approved through a long process that I think went from, for the funding of 2021-2026 or something like that. It was well before 2021 and it was years of planning before that.

Acting Mayor Rogers: Yeah.

Mr. Licea: So there's a lot of committees that go into PAG and identify different projects and what category they would be in and over many years and many committees and all that stuff, it got whittled down to the projects that are currently approved for South Tucson.

Vice Mayor Lopez: These are transportation bonds?

Mr. Licea: Yes.

Vice Mayor Lopez: They were around 20 years ago -

Councilor Flagg: Yeah, yeah, the RTA stuff.

Vice Mayor Lopez: Yes.

Acting Mayor Rogers: Yes.

Mr. Licea: Yes.

Vice Mayor Lopez: Everything is on a 20-year plan, and we're just winding down to the end of '26.

Acting Mayor Rogers: Yes.

Mr. Licea: Yes.

Councilor Flagg: Ok.

Vice Mayor Lopez: And then we start all over again.

Ms. Aguirre: Mr. Mayor and Members of the Council, these are what are called the five-year TIP, Transportation Improvement Project, and as we go through our process here with the budget, which is hopefully within the next couple of weeks, I'm going to be bringing to you all a listing of all the restricted funds. One of those restricted funds is RTA, Fund 242. I will give you some back up and it's all online, but I will give you some backup directly from that five-year TIP report and it shows how it was itemized. Mr. Licea is correct in indicating that it took meetings through various boards to plan this out, but we did go ahead and pass a Resolution for each one of those projects back in 2019, for those to be approved. So basically by approving those different Resolutions that were tied to each project, it indicated that South Tucson was going to utilize those specific funds for either design and/or construction. So it was pretty detailed, but yes, I will give you all more information.

Mayor Diaz: And it's also on the website and everything else and there's also the other funding that's approved before for South Tucson and that's \$75,000 for art. And there's also another funding out of PAG for the summer youth programs. I don't know if you've looked at anything in the website or anything about information that you are concerned about, it's all there. It's not a secret.

Councilor Flagg: Yeah, I was just asking.

Mr. Licea: Let me just share that if there is, for future planning, what you're asking about right now, there is a future project, only one for South Tucson that is being planned is RTA Next, and that is for a bridge over the railroad tracks at 36th Street. So that is the only project that South Tucson is in the Next RTA planning process. That's the only thing right now that you probably have some say in and who knows if it will be approved or not. It's in the planning stages right now.

Councilor Flagg: Has the previous Council been involved in that?

Mr. Licea: At some point somebody identified that as a need or potential project then it got put on the list, so yes, at some point a past Council put that project on a PAG RTA Next list.

Mayor Diaz: That's also in your email so if you look at your emails, I think it was Karen Karr sent it out to the Manager. The Manager sent it out to all of us.

Councilor Valenzuela: They probably sent it out to themselves. There's no email. I don't think it's been set up yet.

Mr. Licea: So I just want to share, if we can move on from this, I just wanted to share future stuff. One of the first things I mentioned was when I had spoken to you guys when I first started here, I started working on

grants and so on. There's a potential for an EPA grant for environmental justice that we learned about in February, mid-March maybe, somewhere around there. In any case, it was too short of a timeframe to put a proposal together with this scope of work. So, we are planning ahead for the next proposal that comes out about a year from now to apply for some grant funding through the EPA and there's a variety of things we could do with those types of funds. Some of them is, actually, I'll share one sheet with you guys tomorrow. It gives you everything we could possibly do but obviously it's all one way or another related to environmental justice, environmental. And then the proposal, or potential scope that I thought about is being that we have a lot of flooding issues in South Tucson. Pima County area is doing some work in South Tucson to do some mitigation. There could be some potential partnerships with a bigger agency and leverage that fund. So I just wanted to let you guys know and hopefully you support that, and you can let my supervisor know. That's about it for my report if you have any specific questions on Planning and Zoning.

Acting Mayor Rogers: Thank you.

Mayor Diaz: Thank you. Ok, so now I need a Motion for the City Council to Adjourn from Regular Session and Convene in South Tucson Housing Governing Board Meeting.

Vice Mayor Lopez: So moved.

Councilor Flagg: Second.

Mayor Diaz: Ok, so we are in the Housing Board Meeting.

Ms. Aguirre: Roll Call.

Vice Mayor Lopez: Yes.

Acting Mayor Rogers: Aye.

Councilor Romero: Yes.

Mayor Diaz: Yes.

Councilor Flagg: Yes.

Councilor Valenzuela: Yes.

City Council Convenes as South Tucson Housing Governing Board Meeting

Ms. Aguirre: Mr. Mayor, we have modified the format on the Agenda just slightly to accommodate for the requirements with HUD. They need their own separate set of Minutes, so this process is actually going to facilitate that. The new item is Roll Call under the section for the Housing Commissioners meeting. So, at this time I am going to take Roll Call.

ITEM #02 - ROLL CALL

Ms. Aguirre:

Commissioner Lopez: Here.

Commissioner Rogers: Here.

Commissioner Romero: Here.

Chairman Diaz: Here.

Commissioner Flagg: Here.

Commissioner Valenzuela: Here.

Ms. Aguirre: We will let the record show that Commissioner Aguirre is excused, and the Resident Board Member Adela Ochoa is not present.

Chairman Diaz: Ok, thank you. So I guess the next item is Reports.

Commissioner Lopez: Excuse me, Mayor, we have Imelda from the Housing

Commissioner Rogers: To talk about it.

ITEM #03 - REPORTS

Ms. Aguirre: Mr. Mayor, Ms. Betty Villegas was not able to be present today, but she has sent Ms. Imelda Robles on her behalf to present reports and then move on to the next item.

City Attorney Paladini: Did you put on the record about the citizen member of this? I didn't hear it.

Ms. Aguirre: Yes, she's not present.

Ms. Robles: Good afternoon, Mayor and Council Members.

Commissioner Rogers: You, too.

Ms. Robles: So just to make sure, did everybody receive the documents and attachments because I brought hard copies in case anybody needs them.

Commissioner Valenzuela: We would like one.

Ms. Robles: Sure.

Commissioner Rogers: I got one.

Ms. Robles: Anybody else? So, as it was mentioned, Ms. Betty Villegas is out sick today, so I am here to basically just go over the summary for the item request, which is the approval for the 2023-2024 Annual Agency Plan. The title of the Agenda item is Resolution No. 23-005 of the Mayor and Council of the City of South Tucson, Arizona, approving the South Tucson Housing Authority's Revised 2023-2024 Annual Public Housing Authority Agency Plan and authorizing the execution of this Resolution for the purpose of authorizing the City of South Tucson Housing Director to submit same to HUD. So in the Executive Summary, the Annual Agency Plan must be submitted annually and is based on the 2021-2025 five-year Agency Plan. No significant changes were made since the last five-year Agency Plan submission, although the U.S. Department of HUD requires South Tucson Housing Authority to resubmit the required HUD forms included with this Resolution annually. The recommendations for the approval of the 2023 Annual Agency Plan is in the best interest of the South Tucson Housing Authority and its residents. And attachments were also sent. If anybody has any questions, I can answer now.

Commissioner Lopez: I've got a question.

Ms. Robles: Yes.

Commissioner Lopez: How far along are you in the process of combining the voucher program?

Ms. Robles: Right now the only thing pending is the finalization of the ACOP which is the public housing piece of the plan. We're working on it now, it's just like 380 pages we have to revise, and they haven't been revised

in a while. We probably could have done it sooner, but it's just taking me a little bit to understand the position and what exactly what we're looking for. So we are combining our ACOP plan, also with the Housing Authority's division plan. So it's kind of like two in one, and we're hoping to get that done by no later than the end of May. So it's in the works. Right now the plan is to open up our wait list no later than the summer of this year.

Commissioner Lopez: Thank you.

Chairman Diaz: So that goes back to the vacancy rate of both places, right?

Ms. Robles: Yes, yes.

Chairman Diaz: And the occupancy rate is what?

Ms. Robles: Right now our occupancy rate I believe we have, we are still working on our fire units, and we're going to have a better update report on the May 23rd meeting.

Chairman Diaz: Ok.

Ms. Robles: But right now we still have, I want to tell you off the top of my head, about 20 units that I know of that are open, but we can give you the exact number at the next meeting. But we are working right now and moving some of our residents to accommodate their housing size while we open up the plan, so there's still a little bit of shuffle still going on right now, but some of our housing units are ready to house new residents. Any other questions?

Commissioner Rogers: No.

ITEM #04 - RESOLUTION NO. 23-005 OF THE MAYOR AND COUNCIL OF THE CITY OF SOUTH TUCSON, ARIZONA, APPROVING THE SOUTH TUCSON HOUSING AUTHORITY'S REVISED 2023-2024 ANNUAL PHA AGENCY PLAN AND AUTHORIZING THE EXECUTION OF THIS RESOLUTION FOR THE PURPOSE OF AUTHORIZING THE CITY OF SOUTH TUCSON HOUSING DIRECTOR TO SUBMIT SAME TO HUD

Chairman Diaz: So if there are no other questions, we will need a motion for Resolution No. 23-005. (Chairman Diaz read aloud the above Resolution.)

Commissioner Lopez: So moved.

Commissioner Rogers: I have a question. We are in the Housing Study movement, aren't we? Does not the City Council when it comes that we need to vote for this, or does it happen in the Housing Commission?

Chairman Diaz: I don't understand the question.

Ms. Aguirre: Mr. Mayor and Acting Mayor Rogers, I believe you are mistaken. So we have entered into the Special Meeting for Housing and so this is the time and place where you will all vote for any action item for Housing, and then we will exit and reconvene into Regular Council Meeting.

Commissioner Rogers: I just wanted to be sure.

Chairman Diaz: So I need a Second.

Commissioner Rogers: Second.

Chairman Diaz: Are there any more discussions regarding the No. 23-005 of the Housing Authority? Hearing none, Roll Call.

Ms. Aguirre:

Commissioner Lopez. Yes.

Commissioner Rogers. Aye.

Commissioner Romero. Aye.

Chairman Diaz. Aye.

Commissioner Flagg. Aye.

Commissioner Valenzuela. Aye.

ITEM #05 - ADJOURNMENT

Chairman Diaz: Item #05 is Adjournment under the Housing Governing Board, so I will need a Motion to Adjourn.

Commissioner Flagg: So moved.

Commissioner Lopez: Second.

Chairman Diaz: It's been Moved and Seconded. Then I'll need a Motion to Reconvene as City Council into Regular Session.

Commissioner Flagg: So moved.

Commissioner Lopez: Second.

Chairman Diaz: It's been Moved and Seconded so we are back to Regular Session.

Ms. Aguirre: Roll Call.

Commissioner Lopez. Yes.

Commissioner Rogers. Aye.

Commissioner Romero. Aye.

Chairman Diaz. Aye.

Commissioner Flagg. Aye.

Commissioner Valenzuela. Aye.

Ms. Aguirre: Commissioner Aguirre, he's the only Commissioner not here.

City Council Convenes as City Council Into Regular Session

ITEM #08 - RESOLUTION NO. 23-11 OF THE CITY OF SOUTH TUCSON MAYOR AND COUNCIL APPOINTING A CITY REPRESENTATIVE AND ALTERNATE TO THE PIMA COUNTY REGIONAL FLOOD CONTROL DISTRICT ADVISORY COMMITTEE AND DECLARING AN EMERGENCY TO EXIST

Mayor Diaz: (Mayor Diaz read aloud the above Resolution). Ms. Aguirre?

Ms. Aguirre: Mr. Mayor, Members of the Council, this is the time in which we would all appoint a Staff member and alternate to serve on this Regional Flood Control District Advisory Committee. I'm not sure if any of you had a recommendation on who could fill in, or Jon, if you could -

Mayor Diaz: Did we get any submittals?

City Attorney Paladini: There's paperwork missing here.

Ms. Aguirre: In reading here some of the backup with the Resolution, I believe the recommendation, which is not listed on the Agenda summary, I believe the recommendation from City Manager was that Planning Director Josue Licea and Public Works Director Angel Lopez, be appointed to serve on this Committee so that they can track along with the issues. Thank you.

Vice Mayor Lopez: Mr. Mayor.

Mayor Diaz: Yes.

Vice Mayor Lopez: I would like to make a motion that we approve these two individuals to fill in the ranks within the Flood Management committee.

Mayor Diaz: It's been Moved.

Councilor Valenzuela: Second.

Mayor Diaz: And a Second. Ms. Aguirre. Oh wait, any more discussion?

Acting Mayor Rogers: No, your Honor.

Mayor Diaz: Ok.

Ms. Aguirre: Roll Call.

Vice Mayor Lopez: Yes.

Acting Mayor Rogers: Aye.

Councilor Romero: Aye.

Mayor Diaz: Yes.

Councilor Flagg: Yes.

Councilor Valenzuela: Aye.

ITEM #09 - STUDY SESSION: OPEN MEETING LAW TRAINING

Mayor Diaz: It has been suggested that we postpone that for the next Regular Meeting so we can have all the three newly elected Council persons in an open meeting law training and also ethics session. So if I have concurrence, we will have that as a motion for the next Regular Meeting. So do I have a Motion?

Councilor Flagg: Is the City Attorney going to lead that?

City Attorney Paladini: Yes.

Councilor Flagg: Ok.

Acting Mayor Rogers: So moved.

Vice Mayor Lopez: Second.

Mayor Diaz: It's been Moved and Seconded. Any more discussion? Ms. Aguirre.

Vice Mayor Lopez: Yes.

Acting Mayor Rogers: Aye.

Councilor Romero: Aye.

Mayor Diaz: Aye.

Councilor Flagg: Aye.

Councilor Valenzuela: Aye.

ITEM #10 - ADJOURNMENT

Mayor Diaz: Before we adjourn, don't forget the Special Meeting next Tuesday at 6:00 regarding the budget.

Ms. Aguirre: Correct.

Mayor Diaz: At this time, can I have a Motion to Adjourn?

Acting Mayor Rogers: So moved.

Vice Mayor Lopez: Second.

Mayor Diaz: It's been Moved and Seconded. All in favor, signify by saying Aye.

Councilors: Unanimous Ayes.

Mayor Diaz: Thank you, so adjourned.

The meeting adjourned at 6:33 p.m.

Mayor
